

Economic Impact Payment Direct Deposit

Cross References

- <https://www.irs.gov/coronavirus/economic-impact-payments>

The IRS has a new website to enable taxpayers to enter their bank and routing number to have their Economic Impact Payment directly deposited into their bank account. The website allows both non-filers and filers to enter their data. The website also allows taxpayers to check the status of the payment and confirm the payment type (by check or by direct deposit).

Taxpayers should go to the following website to enter their bank account and bank routing numbers: <https://www.irs.gov/coronavirus/economic-impact-payments>
